“ Grandpa Geurink was one of a kind. I met him near 40 yrs ago when I became friends with his granddaughter Bridget. I was welcomed in and made to feel like one of the family. Later in years, after I became a L.E. Officer, I joked with him about how I was keeping an eye out for him on the road so I could pull him over! He joked that if that ever happened, he'd wait until I was out of my cruiser, walking up to his car, and then he'd take off on me. He even acted out how he'd wave goodbye to me as he was squealing away. Oh how we'd laugh at the thought of it. And he reminded me of this almost every time I visited with him, even up until recently. Haha. I'm going to miss that about him. And, how he always told me that it was good to see me, asked me to visit again soon and that he loved me. Yep, he was one of a kind. Love you Grandpa Geurink, to heaven and back ❤️
