“Hello Bea and family, I am saddened at your loss and grateful to have been a part of your family through the years. Bea, you have had a weight on your shoulders for several years now. You carried it with grace. We know to be glad that his sufferings are over but, it is a loss! He will be missed. His disease wasn't very easy to bear. Ade was always a help to me! I counted him a friend and hope we all emulate his kind spirit. Many fond memories roll around in my mind as I think of you all. A pastor can never be a pastor without a strong bank of elders to guide, push, comfort and correct him. Ade was a helpful elder! He loved the Lord. He loved sound doctrine. He fought for what is good for the church. We all should be so pleased to serve our Lord as he calls and guides us. Bea, I cannot think of my years at Pine Creek without remembering our conversations and ... so much laughter! We did laugh! Let's look forward and trust God to be there for you on the road head. My prayers are with you!”

“Dear Bea and family, My heartfelt sympathy is with you. I'm sorry to hear of Ade's passing, however I knew he was under Hospice care. We met 13 years ago when Ade and Vic were in the same hospital room. Ade was a fighter as Vic has been gone 13 years this June. My love and prayers are with you. Hugs, Tooge”
