“ He's in the sun, the wind, the rain,  
he's in the air you breathe  
with every breath you take.  
He sings a song of hope and cheer,  
there's no more pain, no more fear.  
You'll see him in the clouds above,  
hear him whisper words of love,  
you'll be together before long,  
until then, listen for his song.

“ Dearest Jeff, Lisa, Katie and family,

*I am so, so sorry. It is difficult to find the right words to express my heartfelt sympathy. I will never understand why this had to happen. I think that when we experience such a profoundly devastating loss that we never truly move on but with the passage of time we learn to carry on. I will pray for you and your family every single day. Deepest condolences.*
