“ *"Dear Aunt Ev, Jack, Dan and families, I didn't get to speak with you at the funeral, but wanted to share my condolences. There are so many memories that flood my heart as I think of Uncle Al and your family. He was my Sunday School Teacher when I was 12. Not only was he serious about sharing God's word with us but he was fun. He and Aunt Ev took our class to Tunnel Park for a picnic. It, of course, included a weenie roast, as did so many of our Family reunions. I can't think of Uncle Al without remembering his hardy laugh, tractors, Neikerk church, the Bosch uncles and cronies talking near the front steps of church (mostly in Dutch) after church and, as long as he could, carrying or helping Judy with her walker. I miss many of the reunions, but I would have loved to hear him pray in Dutch or sing a Dutch Psalm again. My heart aches for you and our prayers are with you. Love, Connie and Tom"*

“ *"Aunt Eve, and the entire Bosch Family. We are still in FL and will not be able to personally express our condolences, but please be assured that Betty and I are thinking of you and your family as you mourn the loss of Uncle AL. Some of the best thoughts are of our quartet practices around your piano. "Deeper Yet I Pray" was one of Uncle Al's favorites, and he's now singing tenor in Heaven.! May God grant comfort."*

“ *Dear Mrs. Bosch and family, I heard about Al's passing yesterday from Aunt Ali. I was saddened to hear about your loss and remember so well the beauty of you two - well actually the three of you - as Judy was such a part of every time I saw you. There is a happy reunion! But, my thoughts and prayers are with all of you as you transition to his home going.* ”
