“ *""Mom Jansen" is the most Christ like person I have ever met. She always had warm hugs to share and kind words. I respect her greatly and will truly miss sharing life on Earth with her. She is in the presence of our Lord and Savior and couldn't shine any brighter or smile any bigger. Love you dearly. Deb Maatman-Fink"*

“ *"All of us that knew Ali will certainly miss her. She was a cousin to my mother and we were blessed to have her in our lives. She had a beautiful and full life which she lived in gratitude to her God each day. Her smile and humor were infectious and she was a joy to be around. Our sympathies to her family as they journey on without her presence."*
