“ *"Love is the part of us that lives forever. Love is of God and God has no boundaries; no boundaries between Heaven and Earth, nor life and death. Love is the part of us that lives on in the ones we leave behind, only to later rejoin with the original source. I hope dear family members, that you create a treasure chest of loving memories. In the end the love is all that matters. Love Kathy (Kat Such, Tallahassee, FL)"*

“Nancy and I are saddened to hear of Allan's passing, we had some great times together when he was here in Kalamazoo, MI. It was probably early in the spring of 1969 when we purchased our first sailboat, a 19' Lightening. Al volunteered to help bring it to our home on Austin Lake and, in the snow, step the mast. A few days later we were enjoying what became the beginning of an active sailing adventure. Al was a good sailor and together we became even more proficient. About ten boats later, including a transatlantic sail and offshore cruising on along the coasts of New Zealand and Australia, we're still enjoying the skills that Al, Nancy and I learned on that 19' Lightening. Our thoughts and prayers go out to the both Chris and Mark, very little people when we last saw them in Kalamazoo. Dave and Nancy Clark, sailing friends www.nancyanddave.com”;
