“ *"Signing your book Allie to let you know I have not forgotten you or your sister. I don't know your parents that well but I do know by what I have seen and heard. You and your sister are still loved with every breath your family has no and into the heavens until they all see you both sometime in the future. Alison"*

“ *"Allie Rae. What a beautiful name for a beautiful soul. I'm so very sorry you have gone back to God and now your parent's and brother's are in such pain. You had so many waiting on you to hold and dress you and watch you grow. But I know you had no choice in this and will always be their side forever and ever. Take care little one. You will always be missed but always be felt as your sister is around too.  
Love Alison Rae Blamer Buchanan"*

“Praying for you and your family as you grieve the loss of another beautiful child of God. Especially as you relive much of what you experienced with the loss of Ella. May the same sweet grace of God comfort you yet again, as He has in the past. Lift your eyes to Him and cling to His promises to you and your children.”
