“ *"Our prayers for you and your families! God's grace as you journey this road on earth until you meet again with Jesus! Your mom,, grandma, what a beautiful saint! Such love for you all! How she would joyfully talk about all of you when we would visit ; telling stories, sharing memories!, showing recent photos or articles of news! I loved your mom! Alma shared Jesus, for me as a young women/ mother, she held Bible Studies, encouraged us to love the Lord, love our husbands. Have a daily walk with Jesus, learn the Scriptures! She will be remembered with joy! And I look forward to seeing her again. What a joy it was to see Jack baptized on her resurrection day!"*

“My husband and I had many nice visits with dear Alma. Last time she was in the hospital she spoke of wanting to see her dear Lord. Our little saying between us was the "best in yet to come" She had her mind focused on the important part of life.”

“She was a very special lady and will be missed dearly by everyone she has met over the years. I have so many great memories of the many visits me and my wife had with her. She had a way of making everyone she knew feel like they were the most important person in the world. Her faith in God was strong and her love for others was abundant. She always made time for visitors and was a prayer warrior for all those in need. There are few people on this earth that have influenced me as much as Grandma Boeve. I am grateful for the impact she had on me and my wife and the many others who she encountered over the past 94 years. I look forward to seeing her again someday in Heaven.”
