“ *This sad news of sweet Amanda's untimely death, though just coming to me now, is still a difficult shock, and I have true sorrow in sending deepest condolences to her beloved family. Amanda's beautiful mother, Nancy, and I were Brownie Troop leaders together for our young daughters. Nancy and I became friends but sadly lost touch in later years. After I heard of dear Nancy's passing, I reached out to Amanda, and she and I then shared many old happy stories off and on. Amanda had mentioned her illness to me, since I'm a nurse. But I'm so very sorry to learn of her passing. My heart goes out to her father and brother and other loved ones. RIP - dear , dear Amanda.💕*

“ *I'm sorry to read this. I had the privilege of seeing and talking with Amanda and Nancy, as you all navigated Nancy's care. Amanda was indeed a talented and caring person. She would occasionally reach out to me, and I'm so sorry to hear she's gone. Hugs to all of you, her wonderful family.*

“ So very sorry to hear of Amanda's passing.
We used to spend hours playing monopoly
and other various board games growing up.
She was always such a kid and person
