

## Andrew John Nash

January 30, 2015 - August 7, 2022

Andrew John Nash – came into our lives on January 30, 2015. Filled with life, laughter and a tenacious spirit always ready for an adventure, loving to dance and loving his whole family with his whole heart. After a courageous 4-year battle against cancer Andrew ran into the arms of Jesus on August 7, 2022 and is now safe dancing in glory. While we grieve with huge holes in our hearts, we rejoice in his full restoration from cancer and all that he endured.

Andrew was a fighter and even in his fight against cancer he was always filled with joy and laughter. He found ways to make his friends and family laugh and would crack the silliest toothless grin for a picture, even in his pain.

Andrew loved to play with his siblings, cousins and all of his many friends. He especially loved driving his golf cart, building Legos, playing cards and was the master puzzle maker. He loved all his furry friends and would play and snuggle with any dog that would let him. He was always ready for adventure and loved to try new things. He was known at DeVos hospital as the kid with the coolest PJ's and was always looking for ways to prank the nurses.

Andrew is survived by his Mom, Kelli Nash (Dalton Burke) and Dad Matt Nash (Megan Brown). His siblings Aiden, Clayton and Nevaeh will miss him like crazy.

Grandparents: Helen & John Boeve, Mike Nash, Michelle & Tom Marsala,

Karla & Scott Havemen, Terry Wildschut. Great-grandparents: Norma & Steve Hook, Basil Mathews Sr. (Brenda) & Glady Nash, Wayne Wildschut.

Great-Great Grandmother: Jane Knoll.

Aunts & Uncles: Kyle Wildschut, Alecia & Isaac Perez, Erik Boeve, Jack Boeve, Jason Haveman (Alyssa Dowd), Jake Burke & Allison Martinez.

He was also loved by many Great Aunts, Uncles, Cousins and Friends!

Andrew loved life and we loved him!

“ *Being that Andrew is a great-great nephew, I never got to know him very well, but following his story showed me what a hero Andrew was and how brave and loving he was. It also showed me what heroes Andrew's family are. I'm so incredibly proud of you, Kelli. And I know you couldn't have cared for Andrew as you did without the help of your mom and John. My prayers will continue for you all as you adjust to life without the physical presence of Andrew. Please lean hard on your faith, knowing this is the short part of life where you are separated and the heaven part is the eternal part of life where you'll have forever to enjoy each other with no sickness, pain or grief ever again. ❤️*

“ *I did not know your son but I followed your story for over a year. Such heartbreak for you and your family and all the times you were so tired doing everything you could to love and cherish this boy. I always seen him with a smile on his face. He was so loved by his family. I could never imagine the strength it took for you to do everything you could do to keep him safe and well. I will always think about you and your family and sweet Andrew. Peace and love to you all during this time of healing.*

“ *Andrew was a delightful great grandson. He smiled easily and was only grumpy when really miserable from pain or nausea. So glad he lived close by and that I could help when he was ill. My daughter Helen and granddaughter Kelli cared well for him these past four years. Their strength is commendable. Love you Andrew. Great Grandma Norma*
