“ *My friend and brother in arms, I wished I would have started sooner to look you up. We served together in the same unit, battery and gun with the 2nd 94th in Vietnam. I waited to long, over 46 years before I started getting help from the VA. If I started earlier maybe we would have gotten together in this world! You were a great person, friend and Army Brother. I plan on visiting your burial site in the summer of 2023. I just made contact with your sister Autumn and hopefully, if they wish to meet more of your family. I salute you my friend, Sgt. John M Galehouse, Jr.*
