“ *To all the children of Angie,
I have a lot of memories of your mom as I spent a lot of time around your house playing mostly with Sandy, but played games in the summer with the older girls as well. Your mom was always nice to me and on many occasions she gave me cookies or some other snack. She also just put up with me as I played in your house many times, even though you had a house full with your family. She always made me feel welcome. I liked her and I know she liked me as well. I want to express my sympathy to all of you in your loss. No matter how old they are, it is always hard to say our final farewells to our parents! May God grant all of you His comfort and peace.
God bless you all!

“ Dear Cousins,
We were saddened to hear of your mother's home-going. Aunt Angeline lived a long and full life. In this time of loss, may you all be comforted by the promises of God and the rich work of Jesus our Savior. May His peace fill you with all you need to deal with this new empty spot in your family. Our prayers and condolences, Nancy and Tom
