

Angelyn Heerspink

February 25, 1921 - March 20, 2022

Angelyn Heerspink, age 101, of Holland, was welcomed into her heavenly home on Sunday, March 20, 2022.

Angelyn was both a strong woman and full of grace. As a mother she had “the eyes of an eagle and the nose of a beagle”, so her children rarely got away with anything. Nevertheless, her love for her family was evident to all. She adored her children, their spouses, her grandchildren and great-grandchildren.

A love for God’s creation and the outdoors led her to enjoy bird watching. She was a talented knitter, quilter, cook and baker. Angelyn was a member of Christ Memorial Church where she took part in Bible studies and was a part of the Piecemakers Quilting club. She also served as the Dutch Costume Director for West Ottawa Schools for many years.

Angelyn is survived by her children: Brent and Julie Heerspink, Steven and Sandra Heerspink, Sally and Randy Weener; 8 grandchildren and 7 great-grandchildren (with two more on the way); also surviving are in-laws Harvey Heerspink and Marge Heerspink.

She was preceded in death by her husband Donald Heerspink in 1997; her son Rodney in 2004, and an infant son Randall in 1947.

Funeral services to celebrate the life and faith of Angelyn will be at 1:00 PM on Wednesday, March 23, 2022, at Langeland-Sterenbergh Funeral Home, 315 E. 16th St. Holland, MI, 49423. Prior to the funeral there will be a time of visitation beginning at 11:30 AM on Wednesday. Memorial contributions may be given to Hospice of Holland, or Piecemakers Quilting group at Christ Memorial Church.

“ Ange and Don were wonderful neighbors beginning when we moved into our new house down the way and on the opposite side of 168th Avenue. John was a newly hired West Ottawa administrator who worked with Don, our district’s lunch coordinator. We did not see them often, but we will always treasure the kindness they both showed toward our four children. The older three loved to trick or treat at the Heerspink house because they received much attention along with extra special treats. Ange would remind them to take extra for their baby sister. And, whenever we left their home, our oldest little one would assure Mr. Heerspink that she would be ordering hot lunch tomorrow. Ange was so proud of her family - and though we never met any of you personally, she would talk about her sons and daughter as if we always had known all of you. I delighted in hearing about everyone. Ange outlived most of her contemporaries who could have written many wonderful memories on this site, which is why I especially wanted to convey these warm memories of her as a neighbor and mentor. Ange was very special. Her acts of kindness were inedible. Please accept our deepest condolences. Remember the good times and the countless ways she blessed so many lives.

“ A dear family friend for years, I will continue to smile and fondly remember her each time I use the oil paints she blessed me with years ago. Rest in peace.
