“ *We are sorry to hear about your mother. We used to live next door on 16th street. My brothers and I helped build her house. Albert, Joe and Manuel Lopez.*

“ *So sorry to hear of Anne's passing. I gave Anne guitar lessons in the early 80's. She also befriended my mom when we moved here. She took my mom to lunch a few times and she brought a tree for us to plant when my mom passed away in 1985, which still stands today. A wonderful woman who will always be remembered.*

“ *I am sorry to learn of Anna's passing. I enjoyed my time with her, she was full of memories and stories of her days in West Virginia and her family times in Holland.*

“ Regina and Family,

I am so sorry for your loss. Your family holds a special place in our hearts. You Mom was so good to us when we were neighbors on 17th Street. We have such good memories of her. She loved her flowers and sewing. She always loved to have our son, John come over for lunch when Harry came home for lunch. I would have loved to come for the memorial but John and I are in Texas until April. Know that you are in our thoughts and prayers.
