“ Although the Annette's time was only a few years in Canada, she left me with lasting memories. I was often found carpooling in their station wagon to and from primary school with Don and Kat. Our youth involved many get togethers at her place, she was always warm and welcoming. Such a lovely lady, always felt welcomed to her home in Michigan as I passed thru there from time to time.

*She is with our heavenly father now, what a sight she must be witnessing now.*
