“ *"I remember fondly working with Loie at DePrees for many years. I learned so much from her (esp how to clean 😊) and when in a hurry - a lick and a promise she was a really great woman. You have my sympathies."*

“ *"We were truly blessed to have been acquainted with your mother at Royal Park Atrium for the past four years. Somehow our mothers became best friends at the end of their lives. The two of them shared their love for Jesus, their families, and coffee. Last Spring Arloa offered to watch over our mom when she was so low, and now our mom can welcome her to her heavenly home. You have our sympathy at this time."*

“I have been blessed to visit and pray with Arloa on a number of occasions over the past few years. She faithfully attended the worship services where she lived. I have many memories, but my favorite is how she loved to sing. Her most requested song was "He Hideth My Soul". Sometimes we would do an impromptu duet because she could sing the high notes and I am a confirmed alto. She was a blessing and I am so grateful to have known her. My sympathies and prayers to Arloa's family and loved ones. Cindy Nyhoff, Chaplain"
