“ My husband and I both had him for biology at HCHS. It was a favorite subject for me and he was a young new teacher. Good memories. He always came to our reunions whenever possible. Our condolences.

“ *Fond memories of Sunday night Bible Studies with Art and Joyce and other couples. We all learned alot from Art's knowlege of the scriptures. I fondly remember a visit with Art in June, about the time of his 94th birthday. As we sat in the sunroom at Maplewoods, we reminisced about good times that we had shared through the years. Thankful that he is praising the Lord in heaven.*
