“ *"She is truly missed. Every week was a fun time together going out to eat with both her and Lloyd. Everyone I go past Bethel Church I think about her. She was a great friend and we were so fortunate to know each other. Thinking about her 4 children as well. I know how much you miss her."*

“ *"We were neighbors of yours and are so sad to hear about your mom's death. She was the organizer/host of our block parties for several years. We appreciated getting to know some of the neighbors through these events. What a kind and beautiful person she was. We're praying for God's great comfort to your family during this sad time."*

“*Dear Gwen, Lindsay, Erin, David and families...*

A day never went by that we didn't think about and pray for your mom, you and your families while you were on this journey together. What a sad day this is! What a special lady she was! It's hard to imagine not seeing her again on this Earth, but we can take comfort in knowing that as believers we will all see her and your dad again in Heaven someday. We praise God for her life and the many, many acts of goodness and kindness she did in Jesus' name. She was certainly a good and faithful servant and a devoted wife, mother, grandmother and friend. We will miss her. Love, sympathy and prayers for God's comfort to all of you.”
