“ *"Rachel and Kurt - Our hearts, prayers, love, rejoicing, and sorrow have been wrapped around your precious family these past days. Little Ava received more love in her tiny little life on earth than many have received in a lifetime. The Lord gives and the Lord takes, but He has left the precious memories of Ava with you forever. She was and is His child, a precious one, and He gave you the gift of her, even if for a short time: a gift that you will treasure the rest of your lives, til you someday are reunited with her. All our love and prayers in the coming days and months."*
