“ *"If my husband Jack was allowed to write this message about Barb it would be book length as early this morning he was led to write pages about what he has admired about his sister-in-law. To sum it up you would have to read Proverbs chapter 31:10:31. We have admired her as a wonderful sister, as a daughter who took wonderful care of an aging father, as a wife who helped create a beautiful home that welcomed so many to her wonderful meals, as a mother and grandmother, an aunt and as an animal lover who hand fed baby orphan squirrels. We are so blessed to have had her in our lives. We only wish it had been longer."*

“Jim & family, Just read about Barb in the paper. I worked with Barb @ Milcare. We had lots of laughs and fun (and worked hard!) She was a joy of a person! Too young, too sad. You all take care. Debi Kurdelski”

“Dear Jane and Family,
I was heartbroken to hear of your mother's passing, I know how difficult the last few months have been for you all. Your mother sounded like a very brave, fun-loving soul and no words can soften the hurt you all must feel. Please know that I'm thinking of your family and sending you love and comfort during this difficult time.”
