“Barb was a generous neighbor to us as we grew up playing with Luanne and Nancy nearly every day in the summer. She gladly shared her pool which we loved and put hotdogs on the poolside grill when we were hungry at lunch time. She always took time for others and remains a model of hospitality and kindness in my memory. Deepest sympathies to you, Luanne and Nancy, as you make your way forward into the new normal without Mom.”

“Our deepest sympathies to you and your family Luanne. Our memories of her are forever with us. I so enjoyed seeing your Mom in her yard cutting her grass or taking a boat ride every Sunday morning with her beautiful Mandy. Your Mom was an inspiration to me, she did it all. She was and is very special. We will miss her. Laura, Mike and Aaron WinickCroton”
