“ *"It was on a walk through Zeeland Cemetery recently that I discovered that Barb had passed away years ago. I used to work at Le Café in high school and college, and Barb was always a sweet, considerate, easy-going employer that was only too happy to laugh with the rest of us behind the counter and help out when we needed it. She taught me a lot as a young person, and I wish I'd been able to tell her goodbye before her passing. Rest in peace, Barb, and may the Lord comfort your family until we see you again."*
