“ *A couple of months ago I ran into Barb at Barnes and Noble. We had not seen each other in so long! We got something to drink and sat and talked for a long time and it was just like old times. I'm just sorry we didn't have a chance to do it again. Thinking of you all. Nancy Barensen*

“ My daughter absolutely LOVED Barb. We are her neighbors and Riley would go down and ask if “Miss Barb” would like to have a tea party. Miss Barb always made sure my son Gabe felt welcomed and loved as well.

I myself had many great conversations with Barb. She came to mean a lot to my family and she will be dearly missed. I'm glad we had gotten the chance last week to go have Hibachi together and enjoy that last experience.

Love from Janet, Riley, Gabe, and Mike Kaylor
