“ *"I have been out of town this past week, but wanted to express my sympathies to Barb's loved ones. I chatted with her often especially when she rolled silverware at Royal Park Place every day not far from the room where I would set up for services. My thoughts and prayers are with her loved ones. Royal Park chaplain Cindy Nyhoff"*

“ *"Lisa, I had hoped to come to Barb's committal service this morning. But I'm recuperating from knee replacement surgery and was not up to coming. I want you to know that Barb spoke of you often, and had many good things to say. She really appreciated all that you did for her. You blessed her in so many ways. Thank you for being there for her!"*

“I had the pleasure of signing Barbara up as a recipient for the Bring Smiles to Seniors card mailing. Her friend Ellie Aubel shared with me about Barbara and how much it meant to her to get cards. I had the opportunity to talk to Barbara on the phone and we had a nice chat. Though we never met in person, she was a long distance friend that touched my heart. May she be comforted in our Lord's heavenly kingdom. ”

“Sorry to hear of the passing of Barb. We have lots of memories of Barb, when she and Delbert volunteered at the City Mission. Many of memories of them from 4th RCA in Holland and their big white, fluffy dogs!!!”
