“ *"Going to Bea and Marvin's house during holidays were the most beautiful memories of my journey in the U.S., and will remain so. Thank you Bea for bringing such genuine and homey touch to my life. Although I didn't get to see you again since I left Michigan, I saw from your pictures that you remained as lively and warm as the last time I saw you, with a smile as beautiful and inviting as ever! I will miss you!"*

“ *"I am so grateful to have met Bea; I visited and prayed with her a number of times at Providence. She was very witty and had such a genuine smile. When she and her sister shared a room, they loved to watch "Gilligan's Island" and munch on Cheetos. Bea would always say "They never could have fit all the stuff they had on that island in that little boat!" My sympathies and prayers to your family. Sincerely, Cindy N, Chaplain"*
