“I was so sorry to hear about Bea's passing. She was very special to me. I worked for Resthaven Home Care and came to give her a shower and do some cleaning and talking every Tuesday, until she moved to the cottages. I was happy for her to have the opportunity to move, but sad that we wouldn't see each other every week. I came to visit her about 2 1/2 weeks before she died and was trying to figure out when I would come and see her again, when I read that she died. She was such a joy to spend time with and she always had a good sense of humor about everything. I will really miss her! Your family will be in my thoughts and prayers during this sad and difficult time.”
