Dear Molendyk family, We have never met but I knew your parents for years as there nurse at the doctor's office. We had many chats, getting to know them, cry with them, laugh with them and pray with them. They were so dedicated to each other and to their God. May you all have many loving memories and may their legacy live on in all of you.

*Dear Molendyk Children,
My first memory of your parents is that one of your Dads trucks was
used to move us from our apartment in Grand Rapids to Noordeloos.
Noordeloos was the very first
Church my husband served. Those were good years!
Also our first child was born right around the same time as Diane. I
always appreciated your Moms organ playing.
You are all in my thoughts and prayers.*

*Love in Christ,
