“ To our dear friends, Knowing that your wife and mother is with the Lord she loved brings us comfort. But we know you will always love and miss her. So will we. I met Bea through my friendship with Susan and came to love the entire family. Bea had such a kind heart. When my mother died in 2014, she gave me a bag of yellow tulip bulbs to plant in our yard in Idaho to help us remember our Holland roots. Those bulbs were lovingly planted, divided numerous times, and shared with family, friends, and neighbors. Just like Bea’s deep caring, their beauty continues to grow and bloom in and around Boise. Bea was a very special woman. It was a pleasure to know her.
