“I have known Gene since I was a young child. I grew up with Freddy, Johnny, Mike and many others. I got a job at Holland Hitch after Gene had retired but I always loved his surprise visits to the shop. Gene was always so kind and was a gentle man. He would always tell me he was proud of me, as a young man without a Father, those words meant so much to me and they always will. I will never forget you Gene. Rest in piece my dear friend.”
