I played softball with Benny over 50 years ago. I played first. He was our pitcher. He was a great teammate and clutch. I remember playing basketball with him and can still recall how happy he was when he got married.

“ I will always remember Benny as the COOLEST Bus driver! When I was in elementary me and my brother went to C.A.S.A and he was our bus driver. I remember if we were the first kids picked up he'd be listening to Tejano music and after we picked up the other kids it's was 104.5! He was the nicest always asking how we were and actually cared! Felina I'm truly sorry for you and your family loss. My thoughts and prayers are with you all.
