“ *"Oh the memories I have of your mom (and dad). I topped onions and dug potatoes for your family in the summer months a LONG long time ago....working alongside all of you. As I look back ---- those were good years. We probably didn't think so at the time..... We worked hard and had lots of fun in that dirty black dirt. I remember your mom making tuna fish sandwiches that we were welcomed to enjoy. They were the best sandwiches I had ever tasted :) Your mom was a very sweet lady!! I know she will be missed greatly. May God bless all of you in this time of grieving --- and yet rejoicing that she is with her Savior! I now live in South Dakota with my husband.....back where I was born.Barbara (Verduin) Peters"*
