A Letter from Heaven: When tomorrow starts without me,

And I'm not here to see, if the sun should rise and find your eyes, filled with the tears for me. I wish so much that you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say. I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too. When tomorrow starts without me, don't think we're far apart, for every time you think of me, I'm right there in your heart.

“ *"Berta was a very special patient to us at DaVita. I did her treatments at Metro hospital for over a year. She always had a smile on her face when I'd wake her up first thing in the morning. Always loved to chat and reminisce about loved ones. I will truly miss her!!"*
