“ *Sorry I cannot be there tonight. I'm still in Tulsa, but I have been thinking of all of you and remembering the good times when the Michigan Brummitt clan came to visit the Tennessee Brummitts. My mom loved Aunt Betty and Uncle Chuck's visits the best, because they liked going sightseeing in the mountains. Even after my dad passed away, they would still drive down from Michigan to visit, pick up my mom, and off they would go. I always enjoyed Aunt Betty's sense of humor.*

“ *Aunt Betty and Uncle Chuck brought many wonderful memories... coming down in the summer and going to the Smokies... their love of adventure, either going on road trips with Mom or walking around K-mart.... Betty's great Taco Salad that was perfect at the reunions... But mostly I remember her laugh. It made you laugh with her. She was wonderful just to talk to and spend time with. I will miss you, lady. P.S. her mom introduced me to hot tea which I still love today. Love to all the family and prayers*

“ My fondest memory growing up is that we were always at one another's house and always looked forward when Aunt Betty made the no bake chocolate cookies. I don't really know the pain and sorrow that you all are going through but I know one who will mend your broken hearts and His name is Jesus. I'm going to miss her smiling face along with the hugs. I love each one of y'all and will continue to be praying for you. I'm so sorry that we won't be able to make it for the service.
