“ Beverly and I met 28 years ago at Sam's Club. She would come in and chat about the jewelry. She bought a piece or two. We started going some places and enjoyed our outings. She particularly liked going to Sherman's Ice Cream in the summer, Butter Pecan being her favorite. Beverly was a very strong lady facing the difficulties she had. She also was a strong believer in her faith. Margaret and Michael and family I so sorry for your loss. May God wrap his loving arms around you and give you the strength you need at this time. I will miss my Dear friend, Beverly. Love Carolyn

“*Bev was our neighbor for over 22 years. When we first moved into the neighborhood, she welcomed us and our children. Collin and Janina were 2.5 yrs. and 7 yrs. respectively. She saw them grow up and had many conversations with them. She also got to see them play in the backyard and commented often on the fact that she felt that we were raising kind and respectful kids. We do not recall a day of unkindness or dispute. We enjoyed being each other's neighbor and we were looking out for her as much as she was looking out for us. As Bev became more fragile over the years, our bond became stronger. The pandemic brought us together and we were all thankful for having each other.*

She was our beloved neighbor and friend who celebrated with us and we with her the milestones that people share in life. She loved us and we loved her. We visited many times and always had fun together. She trusted us and we trusted her. We looked out for each other and shared many special moments. How does one summarize so many years? Simply, friendship is precious and rare. We had this and we appreciate the words of Helen Keller: "I would rather walk with a friend in the dark than walk alone in the light." Bev was a woman of kindness and integrity who spoke highly of her precious family and cats.

We are thankful that our friend is now with her maker; pain-free and happy. We can picture her in heaven with her beautiful smile, her Ann, and friends and family members who left before her, looking down on us and watching out for us.

Our condolences to her beloved family. Bev, may you rest in peace!
