“*Dear Nancy and Family, Marisel and I were very grieved to hear of Blaine's passing. He will surely be greatly missed. My thoughts of Blaine gained from four years with him at the Naval Academy and one pheasant hunting trip in Holland are all memorable. Blaine was a gentleman and a wonderful, caring roommate who had great humor. I shared a room with Blaine junior and senior years and miss him.*”

“*Dear Nancy & Family,
Our heart were saddened to hear of our loss of Blaine. He was such a wonderful person who always had a smile, kind words and wise counsel for us all. He was a beautiful servant of the Lord and had such a sweet spirit. He will be missed from all the circles of lives he's touched but his example and memory will live on. Our earthly loss is certainly heaven's gain and to think of his broken and wounded body whole and perfect as he's reunited with family, friends and the saints who have gone on before us brings great comfort. Our thoughts and prayers will continue for you and the family and please know your Home Group is here for you.*”

“Blaine and were classmates at the Naval Academy, and attended classes and activities together for four years. I knew then that he was a young man of exceptional qualities, and I see from his career and life that he indeed met the standard set out by the Naval Academy Mission - to meet the highest responsibilities of citizenship.
