“ *"Mark, I was shocked and very saddened to hear of Brendas death.
I am thinking of you and your family at this difficult time. Brenda was
my best friend during High School. And even though we didn't see
each other much the years since she would reach out to keep
contact in some way. I have always considered her a true friend.
Brenda was one of the nicest and kindess people I ever knew. I am
grateful to have known her. I will miss her. Whenever I ran into
Brenda she talked about her family. Anyone could tell she was
proud of and loved you all. Mark, you and your family shared so
much life with Brenda. I know she will forever be a part of you. You
and your family are in my prayers."*

“I knew Brenda from Family Fare and from Hope Church. She was a wonderful woman that was so helpful and caring. She loved her family and her church. It is so difficult to believe that the last time I had her in small group laughing with her would be the last time that I would see her alive. So heartbreaking. Knowing that she is with our Lord Jesus helps comfort us. May the family also find comfort in this.”

“Brenda was an amazing lady to know. I knew her from working with her briefly and also my daughter having the privilege of working with her. What a strong lady! Opinionated yes, but made her all the more dear to me. I pray hope and peace for her husband, children and grands. I remember how she felt so strongly about family, and honestly one of the many things I admired about Brenda. She will be greatly missed.”
