“ Brian, or Fuzz as he was known was a great asset to Holland's EMS system. He was a skilled professional with a heart of gold. I always enjoyed working shifts with him on the ambulance. Rest in peace, my friend. Dr. Brian Cote, retired.

“ Thank-you for the motorcycle rides home even though you would always put your hands up on the highway and scare me to death, Thank-you for the back of Truck rides to Grand Haven with the girls to visit Grandma (our hair looked great after that ride lol) Thank-you for the family dinners(I still call bread ends " Guppies") Lots of laughs. Thank-you for not patting me down looking for cigarettes when us girls would go for our " walks" even though you already knew I had them. 😊 Thank-you for your Bear 🐻 hugs. I know Miss Pat is happy to have hers again. Rest in Paradise Fuzz
