“ *Brian was a friend that could be counted on and appreciated. He would stop in during baseball season and i would laugh because if there was a call he didnt like or call he didnt agree with he would still be telling me all about it even if the game was hours ago. He will be missed and our sympathy goes out to all whose lives he has touched..*

“ I remember Brian coming into work early one morning all excited to tell me he met a special girl. Her name was Amy, she was beautiful, and he thought he was in love. Turns out he was in love because he married her. Brian was the kind of guy who couldn't wait to share good news. He was always in a good mood and liked to play jokes on people. Many people, especially those of us who worked with him, will really miss him.
