“ *"Bruce was such a beautiful person - a family friend who would visit us in the Summer at a cottage, up North - inevitably bringing all of the foods (ie, treats!) my parents typically didn't:) We often used his boat to fish; I remember thinking how cool he was to have had an actual "TV" in his fishing boat that we used to determine how deep we were, and whether there were fish nearby. Bruce had a great laugh, an awesome spirit, and was infinitely generous with his kindness towards others. What a blessing to have had him in our lives!"*

“ *"I have nothing but fond memories of Bruce Sturing. He was a friend of the family (went to school with my father) and would often visit us up at the lake cottage every summer, back when my sister and I were small children. We would always look forward to Bruce's visits, he would bring along candy and sweet treats which of course us kids always loved. I don't remember him with a cross word ever, not even scolding me when I broke a fishing pole trying to land a big whopper out on the lake. Always a pleasant smiling fellow, very easy-going and positive attitude. Bruce you will be missed here on earth, but oh what bountiful riches await you in heaven!"*
