

Calvin Lubbers

February 13, 1941 - July 12, 2022

Calvin Lubbers, age 81, of Holland, passed away on Tuesday, July 12, 2022, from complications of Parkinson's Disease. A lifelong Christian, his faith guided him, and his belief in a loving God, who is a faithful Father, helped him every day and especially through the challenging times.

Cal was born in Perkins, South Dakota to Henry and Lillian Lubbers and moved with them to Holland, MI when he was still an infant. He attended Sunnyside School and Holland Christian High School. He graduated from Calvin College with a BA in Biology and later added an education degree.

He was a member of Faith United Reformed Church. He served in the Peace Corps in Costa Rica for two years and later worked in community development for the Christian Reformed World Relief Committee (now World Renew) in Mexico for 8 years.

He married Jayne Tien who joined him working in Mexico. They raised three children together, all were born in Mexico, but raised mostly in Michigan. The farm business he ran for over 30 years was time-consuming and labor-intensive and the whole family was involved at some point. He used to say that the positive of the farm work was that he could take time to attend the children's' activities. He would do that and then go back out to work. The children took advantage of all the sports and activities the school, church, and

community had to offer. They commented that their dad “attended more soccer games, swim meets, and track meets than any dad should have...and has the VHS tapes to prove it.” There were also a considerable number of softball games, Tulip Time parades, concerts, plays, and other performances. It was important to him to encourage and support them in all of that. At various times, he also served in the consistory, lead Bible studies, and taught Sunday School and catechism.

Cal's parents, Henry and Lillian Lubbers, and his in-laws, Henry and Thressa Tien, and his brother Howard Lubbers predeceased him.

He is survived by, Jayne, his wife of 51 years; children: Christopher Lubbers, Michael and Lori Lubbers, Debra Terpstra; grandchildren: Brenna Lubbers, Anika Lubbers, Noah Lubbers and Kennedy Mckinnon, and Annabelle Terpstra; siblings and in-laws: Gloria and Dale Boss, Judy Lubbers, Lola and Paul Deters, Patti and Roger Peeks; sister-in-law, Susan and Calvin Hulst.

“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Sifrol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) and started him on PD-5 natural herbal formula we ordered from AKNNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinsons disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit w w w.aknniherbscentre .com)

“ We extend our sympathy to Jane and to Chris, Mike, and Deb on the passing of your husband and dad. We are not able to be present for the visitation or funeral, but want to take a moment to remember him and your family. It was good to be reminded again of his Peace Corp and CRWRC days --which led later to a unique career as a local duck farmer. We became acquainted, of course, in our time together at Graafschap Church. We remember that Cal had a great smile, a warm and friendly wife, and 3 wonderful kids! We hold respect for a man whose faith in the Lord and commitment to His church were unwavering. May you experience the peace of the Lord. Marv and Mary Hofman
