“ Some of Carla's interests became my interests. Notably she introduced me to the Howard Library and it's interesting programs and many new authors. Then there are several photographers/studios that I would not know about if Carla hadn't found them first. And there is also the Muskegon Historical Facebook page that I enjoy.
Carla grew to be not only a cousin but also a friend. My heart grieves for her, her family and that I could not make it to the service today. But my love is there.

“ There are so many wonderful memories of Carla, where do I begin?!? Today is the “Joy “ Sunday on the Advent Calendar. Carla always displayed joy; inner joy, which is not the same as happiness. I will miss her joyful, positive spirit, and her boisterous, jolly laugh. She blessed the world by being part of it. Millie Luth (Janssens)
