“In a nutshell, my sissy Car was a godly woman with faith the size of a watermelon who kept her eyes on Jesus right up to the end always sharing about Christ Jesus to one and all who crossed her path! Car was my partner in crime in which we lived from one goofy adventure to another! Although she was introverted, once she got to know you, you couldn't help getting her contagious laughter! Sissy, you will be missed but will always live in our hearts and memories! Loving you always, from you big brother, R Rey Longoria"
