“ Carol spoke with me about two years ago at my place of employment. She had left the PRC to go to a very similar type of denomination. But her Protestant Reformed family had treated her poorly and pressured her to come back. She mentioned Barry Gritters and her sister. So she said she went back just to have family approval. But she didn't feel they cared about her. Just that they wanted to control her. That love was conditional. Now this.

“ Dear Family, we were unable to attend the visitation, but really wanted to express our sincere sympathy in the loss of your precious daughter, mom , sister and grandmother. May you feel God's loving arms upholding you and giving you comfort. We always appreciated Carol at Grace church when she attended there. She was a very active member and we really loved her input At Bible Study.
