“Aunt Carol, You will be missed. We have such fond memories of you and Uncle Dave joining us on vacations and camping every summer. Memories of playing dominos with you at Holiday gatherings. Watching as you brought smiles to our kids faces as you had always done for us. As an adult we were honored to be able to help with projects like the "Free Health Clinic" with you and Dave. The Lord used both of you to touch more lives than you ever knew. You truly helped us to understand that we are all blessed to be a blessing to others. You will be missed on earth but live on forever in Heaven. Miss you and Love you, Mark and Michelle Kooyers”

“I will always love you Aunt Carol.... my memories of spending time with you growing up will never be forgotten. I loved when you and Aunt Judy would fight over who got to have me spend the night and just be there for me growing up when my mom was in a coma and helping me through all those tough times a child should never have to go through. Your passing is going to be tough for me. But I know you are with your parents and brothers and you are running around in heaven with God's grace shining down upon you! love always, your niece Shelly Schipper Griffis”
