“ Rick, I am so sorry to hear of Carols passing. I didn't know her well, but I do remember how much fun she was when a group of us from work would go on shopping trips. You could just tell she had a good heart. You have my deepest sympathy. Cindy Jacobs

“ Rick,

We are so saddened to hear of Carol's passing. She was such an amazingly kind, warm, thoughtful person. The Myers family feels so fortunate to have memories of Carol with her warm smile sitting on the beach in front of Moon Shadows and offering a warm hug when we saw her.

Ward and I feel especially lucky to have spent the afternoon (full of laughs) with you and Carol just a couple of months ago. Gracie and Gino have great memories of rounds of "Tital Ball" with you and Carol on the beach as well.

Please know we are sending our prayers and condolences to you and your entire family. We all feel so lucky to have had the chance to know Carol.

“ I didn't have the chance to know Carol deeply myself, but I grew up hearing stories about her from my mom. One memory that always stood out was the Christmas tree shopping gatherings they shared together, the kind of traditions that become part of a family's story for years afterward. My mom always spoke of those times with warmth and joy, and I think that says so much about the kind of person Carol was.

It's clear she brought light, kindness, and connection to the people around her, and her memory will continue to live on in the stories, laughter, and traditions she helped create. Sending love and prayers to your family during this difficult time.
