“Mrs de boer was such a special mom who no matter what' made you feel at home when you went to her house. Growing up with Mimi her beautiful daughter, I had the privilege of spending the night at her home. Mimi's mom would run to the store and get us our favorite treats without hesitation. She was just that special and sweet in her many convictions of being a mother. I loved her sense of fashion and the style she had. Keri will be missed by all. Our sympathy to Mimi, Tyler, Jenny, and Zach .”
