“To the family just wanted to say sorry for your lost of this beautiful young lady she was a sweetheart to everyone. Words could never comfort you enough for that piece of your heart that have been taken. But as a family of God you know she is a wonderful place and feeling no pain anymore. What we lose here and have to keep going for a time is a huge family reunion in Heaven, Where so many loving smiling faces are all waiting turns to embrace her with loving arms, as she sees so many that have gone before her. It's never goodbye it's until we see you again up there. Tony and I send our love and prayers to all of the families that loved her so much.”
