“Al and family - we are so sorry to hear about Christy's passing! I remember back in the day that I use to babysit for her and her siblings (my cousins) during the Summer when her parents were working. I would have a lot of fun, because they would take me around the neighborhood on all kinds of adventures. I know we went to some abandoned house that they knew about and they had to take me thru that. Lots of fun at the Koning Christmas parties that we use to have too! I am thankful for those memories! Keeping you all in our thoughts! Love - Rita (Koning) Falk”
