“ *"Chris was such a light in my average day at Holland Christian. He always cracked jokes with me and we would share different music with each other. So it is easy to say he really added a whole new dimension of music for me to appreciate and I cannot thank him enough for that. I hadn't come back to see any faculty or staff since I graduated, but had I come back Chris would've been the first one I'd talk to. He will be greatly missed.-Johan"*

“Chris was a blessing to so many teachers and students. He always had a smile and cheery hello to anyone who passed by his window at the high school. His patience never seemed to run out as he was continually interrupted from projects and repairs to answer what were to him often the simplest of questions. Chris never had the seriously, I can't believe that you just asked that question look on his face. Always so patient and kind! I will really miss our baseball bantering and friendly gloating back and forth about his beloved Giants and my Cubs. You will be missed by so many!Janet LynchHolland Christian HS”

“Chris we will all miss your bright smile, caring and helpful nature. Students loved you too. I would see it every time I walked passed the help desk. You were always engaging the students and helping with their compute issues. Thanks for being there. You have made a difference at HC. Donna Hamberg”
