“ *"Hello, im one of the CNAs at resthaven care center. I am sending my love and prayers for Clarence's family. Clarence was such a wonderful man with such a bright side to him. From his bright blue eyes to his scenes of humor. He would love his toast and cereal in the mornings. But you always had to put the jelly on the bread first and the sugar in his cereal before you left the room. And you can't forget about his mint before he went down for a nap. One of the sweetest residents I have ever had. It was a pleasure to meet him, he has made a impact on my life for the time I have known him. He will be missed. And again my condolence to his family."*
